AND FROM ACROSS MERIMBULA WAY

The Merimbula Uniting Church New Vogue Dance Group Weekend of Dance

It could easily be called 'the magic weekend of dance' so successful it was. The Wolumla Hall proved to be a surprise package to most of us with its size, excellent floor and facilities. The dance crowd fitted the hall with the floor full for most dances without overcrowding. And the suppers!!!! Just magic (I love that word). Many thanks to the young ladies who organised and oversaw this important activity (along with a couple of supervisory mothers - the girls got paid, the mothers didn't). By now most of you will have worked out that supper, afternoon tea etc is an important part of my vocabulary. Finished off by dancing at Club Sapphire from 11am to about 3pm on the Sunday

Congratulations to Kevin, Glennys, Ernie, Denise and Eric for coming up with the idea and bringing it to fruition.

THE SIXTIES ARE BACK

It was like we travelled through time at the Geelong Ballroom on April 30, when we had our Back to the 60's theme night.

A great crowd of over 60 dancers came to celebrate in their 1960's inspired clothing. Even our music host, Margot got into the spirit, and not only dressed for the occasion, but all the music for the evening was from the 60's. So we waltzed, foxtrotted and tangoed across the floor dressed in theme with music from those times.

The Ballroom was decked out appropriately, and we had visits from Elvis (and a number of impersonators), Sonny & Cher, Fonzie, Paul McCartney, John & Yoko and lots of others.

Along with the usual program of over 30 sequence dances, the night also included 1960s free style music and dances between the brackets.

The fun evening included photos of participants from those golden years, do you think you could match photos of people from 60 years ago? It wasn't easy!

Margaret & Tim

Each table had lyrics from songs of the era on it, and guests were asked to read the lines. While this started sedately enough, it soon turned into guests singing, performing to the song, and soon the crowd was getting into the spirit, joining into the rendition of **Roy Orbison's Crying**, I was alright for a while, I could smile for a while, But I saw you last night, you held my hand so tight, As you stopped to say, "Hello". I think there may even of been the odd tear in the eye at this point.

The Geelong Ballroom Dance Club runs a dance every Saturday night, and most nights we have dance classes with different instructors to cater for all levels of skill.

Saturday nights start at 7:30 with entry \$10. Contact dacasey54@gmail.com or call 5278 9740 for more detail.

A great night is guaranteed for all.

News from “Old Time Dancing at Kyneton”

12 May 2022

The “Old Time Dancing at Kyneton” working group reminds you of our upcoming FIRST dance at St Mary’s Hall in Hutton St., Kyneton. This will take place on Friday 20 May, 7.30pm – 11pm. Music is by FAMILY RHYTHM. We are excited that there will be dancing again at St Mary’s, it has been a long time. We hope to see you there.

When we recently checked on the hall, I had this feeling that we were coming ‘home’ after a long absence. It will be great to once again hear the sounds of music and dancing, talking, singing and laughter, to pick up old friendships and hopefully meet new folk too. We are so lucky to have Ray and Phillip Brown providing the music for this, our inaugural dance. What a terrific start. It is a pity that, Garry is unable to join them, due to our earlier starting time of 7.30pm, which has been brought forward to comply with EPA restrictions on finish time for music in residential areas – now that there are units where the hall carpark used to be.

Parking is either in the surrounding streets or there are a couple of car parks half a block away in Hutton Street, towards Mollison Street – one on either side of the road. The street gutters are bluestone and quite deep, so take care – I would suggest that you put a small torch into your bag to help you back to your car.

Covid - Proof of vaccination is no longer necessary.

Masks are optional, your choice. Certainly, feel free to wear one if you want to.

Although we would love to see you, if you feel unwell, please don’t risk attending.

Under our hall hire contract, you must wear a mask whilst in the kitchen or serving supper.

Under our hall hire contract, children are not permitted at our dances (there are many conditions which need to be met to enable children to attend).

Entry cost remains \$8.00, with raffle tickets available for \$1.00.

It would really be appreciated if you could bring a plate to share for supper.

Please, come along and join in, help make our first dance memorable. It will be great if those of you from the north and west, as well as our friends from the south and east, can make it to join us. It will be really special to have our dance family from near and far back in Kyneton, we have missed you.

See you on Friday 20 May at 7.30pm. (Enquiries to Julie Wilson 0400 126 870)

“OLD TIME DANCING AT KYNETON” in JUNE

Looking ahead, our June dance will be on the afternoon of Sunday June 19 from 1.30pm to 5pm at St Mary’s Hall in Kyneton, with music by JNB Productions. Put this dance into your diary, we would love to see you there. More on this at a later date.

In response to several suggestions that a Sunday afternoon dance would be preferable to night dances, we are providing dances on alternating days (Fridays 7.30pm-11pm and Sundays 1.30pm-5pm) each month until the end of 2022, which will give us some idea which time is preferred. This information will help us to plan for 2023.

Therefore, our dances for 2022 are as follows –

Fridays – 20 May, 15 July, 16 September, 18 November and finishing 2022 on 16 December

Sundays – 19 June, 21 August, 16 October

“OLD TIME DANCING AT KYNETON” – NEWS UPDATE

29 MAY 2022

KYNETON INAUGURAL DANCE – FRIDAY 20 MAY 2022

The long awaited and much anticipated first dance of our “Old Time Dancing at Kyneton” was held on Friday 20 May at St Mary’s Hall. What a wonderful evening it turned out to be, what a way to start our future dance events!

At 6.30pm, people started to arrive, slowly at the start then building up to a steady flow, through the front door of the lovely old hall, where there had not been a dance for over two years.

The working group had initially hoped we would reach a total of 50 people, then as rumours dribbled in, could we perhaps hope for 60 or even 70? What we did not imagine in our wildest dreams was a total of 100. How amazing!! What a way to go!! What a way to start!!

As people arrived, it was fantastic to see dance friends we had not seen for so long, as well as many new faces from far and wide - everyone looking so pleased to be back and to see each other again, to be able to dance again, to enjoy the well-remembered music of Family Rhythm and to soak up the remarkable atmosphere that took over the room. St Mary’s was really buzzing with talking, laughing, socialising, dancing and SMILING FACES.

The Brown’s, Ray and Phillip, certainly led us in the spirit of the night with the well loved music to which we had danced so often in the past, in a way which enhanced the experience of being BACK AGAIN AT KYNETON. To have been able to book them to play for our first dance was a real omen for us, and they delivered 100%. It was lovely to catch up with Dorothy too, taking part and supporting the boys, as she always does.

To cut a long story short, it was a truly magical night and we, the working group, thank you all for your attendance and for enabling us to get off to such a good start, for supporting us for this, our first event. For us, in some ways, it was a leap of faith to start from scratch in uncertain times, but you have answered the call and now it is up to us to keep it happening into the future – with your continuing support.

Our appreciation to each one of you for your attendance, for helping with supper by bringing a plate, for your patience as the ever-increasing numbers made planning and orderliness a little more difficult, for your participation and pleasure in being there, and for showing us that bringing dancing back to Kyneton would indeed work.

For the enthusiasm and belief of our committed working group, each of whom have had belief in our objective; to all of those outside the working group, who have supported us from the start; and to all of you good folk who bogged in on the night – THANKS SO MUCH.

Our website (<https://oldtimedancingatkyneton.wordpress.com>) has some good photos – per favour Clive. (Thankyou to Daryl for the website and to Clive for the photos)

Our next dance will be at 1.30pm on Sunday 19 June. More about this next time.

After breakfast we board our boat cruise through the Bay of Islands' sheltered waters and journey through the stunning scenery of the many islands and coves to the iconic landmark the 'Hole in the Rock'. Hold your breath as the skipper navigates through the narrow space and admire the rock walls soaring above you.

During our cruise we will also stop off at Otehei Bay on Urupukapuka Island, the largest island in the Bay. Relax by the white sand beach or take a short walk up the hill for panoramic views across the Bay of Islands region. Then it is back to Paihia for a late lunch at Waitangi House and Gardens. Experience New Zealand's most important historic site with a Maori Cultural Performance and guided tour. Take time to stroll through the beautiful grounds which include extensive gardens, woodland paths, beaches, and spectacular views over the Bay of Islands and beyond, before heading back to Paihia for the evening activities. Tonight's dinner will be served at the iconic Duke of Marlborough Hotel – a short passenger ferry crossing to the historic town of Russell. There is an optional activity to take the ferry earlier to visit and explore Pompellier House & Russell Museum before meeting the group at 'The Duke' for dinner. Once dinner is over, we ferry back to Paihia for a well-earned evening rest.

Breakfast, Lunch, Dinner

Friday 28th October DAY NINE

This majestic giant is approximately 2,000 years old and 4.4 metres in diameter. A short walk leads you under cooling shade of the forest canopy and face to face with this magnificent ancient tree, also known as 'The God of the Forest'. A stop at Matakohoe Café for lunch and take the opportunity to look around the Kauri Museum. This award-winning museum is famous for its storytelling and legacy left behind by the ancient kauri trees which once covered northern New Zealand. Then it is back on the coach to head to Auckland, via Orewa. This growing beachside town is famous for its 3km of golden sand, beachside dining and watersports. We journey back into Auckland CBD to check-in to Auckland, at the Hilton. You will enjoy the nautically inspired theme of this hotel and position at the end of Princes Wharf, a home to a variety of shops, restaurants and bars. The day ends with a happy hour and dinner at the onsite restaurant.

Breakfast, Dinner

Saturday 29th October DAY TEN

Today we will explore our local area with our first stop at Titirangi for morning tea.

This bustling little village offers unique shopping, galleries and pleasant views. If the village market is on, then take advantage of the foodie treats and wares before boarding the coach for our scenic drive through the Waitakere Ranges to the iconic Piha Beach. Piha is one of Auckland's most famous west coast black sand beaches.

Part of the Waitakere Ranges Regional Park and a popular spot for swimmers and surfers. This is the perfect place to stop for lunch, before heading back to Auckland for a quiet afternoon. Free time to visit the local shops, bars or Maritime Museum before meeting for dinner at the onsite restaurant. Before dancing the night away.

Frank Hancock - HELP PLEASE

Hi everyone, If you want a copy of the following in attachment I could

send it. I no longer can put the dance venues listing on the sportingpulse website. For now still keep me informed of any major changes to your dances. I need advice from someone 'in the know' of

what I maybe able to do now. I am in Mill park my contact details below. (someone suggested facebook but how ?) . Do you have any thoughts on how I could get access to or make a website.

I will have to continue at my own expenses to provide the listing so the cheaper the option the better. If you know of anyone who may be able to advise or to help let me know. In the mean time people will have to send an email to myself for spreadsheet updates of the listing.

Could you print a notice (see 'urgent message' below) for your 'dance clients' .

It appears at this point somehow my listing still exists but I can not get it updated. You may be able to access it for now through the

link below with copy & paste into search engine like google.

URGENT MESSAGE. PLEASE NOTE : THE LINK TO THE MELBOURNE SEQUENCE

DANCES LISTING HAS BEEN CLOSED DOWN.

For now you may get a excel spreadsheet copy (perhaps in PDF later)

by sending an email to Frank. You could pass the copy of the listing to friends.

Thank you. Frank

Blood Is Thicker Than Water

An Arab Sheik was admitted to the Hospital for heart surgery, but prior to the surgery, the doctors needed to have some of his blood type stored in case the need arose. As the gentleman had an extremely rare type of blood that couldn't be found locally, the call went out around the world.

Finally a Scotsman was located who had the same rare blood type. After some coaxing, the Scot donated his blood for the Arab.

After the surgery the Arab sent the Scotsman a BMW, a diamond necklace for his wife, and \$100,000 US dollars in appreciation for the blood donation.

A few months later, the Arab had to undergo a further corrective surgery procedure. Once again, his doctor telephoned the Scotsman who was more than happy to donate his blood.

After the second surgery the Arab sent the Scotsman a thank-you card and a box of Quality Street chocolates.

The Scotsman was shocked that the Arab did not reciprocate his kind gesture as he had anticipated. He phoned the Arab and asked him: "I thought you would be more generous than that. Last time you sent me a BMW, diamonds and money, but this time you only sent me a lousy Thank-You card and a crappy box of chocolates?"

To this the Arab replied: "Aye laddie, but I now have Scottish blood in me veins."

PATI & TONY (NEW VOGUE MUSIC)

From As we head into Winter, we look forward to seeing dancing friends from all States. The humidity on the Gold Coast has now gone and although the early mornings and late evenings are crisp, the days are warm and sunny. We have had a lot of rain over the past 6 months so plenty of gardening.

Dancing has made a welcome comeback and we have been pleased with the numbers attending. There is always more we can do to encourage Dancing and it goes without saying, we love to guide people who show interest to our Teachers and those that hold a learning facility. Our Choreographers are such an important part of that equation, fresh ideas and creativity to keep our Dancers curious and interested.

So it's with great pleasure we are excited that Andrea and John Barwick come to the Gold Coast to share their fabulous Dances in July - the flyer is attached.

Book and join us for a fabulous time. As Andrea and John say "the music comes first", that's what inspires our creative juices and Tony is working madly to arrange new music for you

meet the locals...

Dear Ballroom Dancer,

The Norfolk Island Ballroom Dancing Festival is fast approaching in June 2022, and promises to be bigger and better than ever - every year participants have a wonderful time greeting old friends and meeting dancers who have come over for the first time. It is a fun, social week full of laughter while enjoying a beautiful pacific island destination.

One of the highlights is the themed dance night - this years' theme is all things SPORTS.

I have put together an all-inclusive holiday package which includes flights, accommodation, and car hire from \$1389pp twin share departing Brisbane or \$1239pp twin share departing Sydney. Book now - there are only 5 spaces available!

Dance registrations are separate and include the registration for the week's workshops, the Welcome Dinner and evening dances including themed Dinner Dances and the Farewell Supper Ball. The 2022 Registration Package is \$275 (early bird registration - almost sold out) or \$295 for the full registration package.

Partners & Friends who do not wish to participate in the dancing workshops are very welcome to come along; there is plenty to do on Norfolk Island whilst dancers are out on the floor. Please note that due to COVID restrictions the Dancing Committee is unable to provide a Social Dancing Registration at this stage, however this may be available closer to the event.

To reserve your place for this fun social week, is contact me via email at sophie@travelcentre.nf or on freephone 1800 1400 66 for an information pack with the holiday package details.

Best wishes

DANCING IN CANOWINDRA SERVICES CLUB

Has always been with live Music. With Barry Whitty from Cowra and Phil Redenbach from Parkes,

On occasions when Canowindra Services Club has another booking .we have to hold our Dancing at Moorbel Hall which is just on the outskirts of Canowindra

We take advantage of having the Saturdays and Sundays as a double weekend of Dancing. These have been very successful. The Saturdays we have Old time favourites with a progame of the simpler dances such as The Pride of Erin,Gypsy Tap, Canadian 3 step etc. Sunday being the usual New Vogue Dances

The Chairs are set up all round the dance floor just like by gone days, the most wonderful friendly atmosphere. We then finish with a sausage sizzle and sweets.

Getting back to the Canowindra Services Club a large amount of money has been spent by the Club Management to refurbish the floor, to make it one of the best floors around the Central West of NSW.

The floor is large enough to take 100 dancers. We are looking forward to our 12 hour dance on the 26th June 10am to 10pm or \$10 tea and coffee available all day. Lunch and Dinner available at the club restaurant.

The Downton Abbey Ball is the 8th October and the after ball dance 9th October 2022 All occasions have live music

AND FROM NEW ZEALAND

A biker gang were riding south on the SH1 when they saw a girl about to jump off the Kawarau Bridge. George their leader gets off his Harley, walks through a group of gawkers, past the cops who were trying to talk her down, and says. "Hey Babe! watcha doin' up there on there railin? She says tearfully, 'I'm going to commit suicide!' While he didn't want to appear "sensitive" George didn't want to miss this hero opportunity either so he asked, 'Well, before you jump Honey-Babe, why don't you give ole George here your best last kiss. So, without hesitation, she leaned back and did just that. It was a long, deep, lingering kiss followed immediately by another even better one. After they breathlessly finished, George gets a big thumbs up from his biker buddies, and the onlookers, and even the police, and then says 'Wow! That was the best kiss I have ever had! That's a real talent you're wasting, sugar! You could be famous if you rode with me. Why the hell are you committing suicide? "My parents don't like me dressing up like a girl" It is still unclear whether she jumped or was pushed.

NOTES for this dance:

Ronde: A circular movement of the leg and foot during the positioning of that foot. Full weight being retained on the supporting foot.

Throwaway Oversway: this movement is normally danced by firstly Man taking a step to the side with Left foot with Lady in line then before the weight is transferred to that foot it swivels sideways. The heel of that foot then lowers to the floor and the Left knee bends slightly. The Right leg is extended to side with the toe pointed on the floor without weight.

The Lady's Right leg will also be bent in relation to the Man's with her Left leg extended to side with toe pointed on the floor without weight.

The Lady's Right leg will be on the inside of the Man's Left leg lightly pressing against it.

Contra Check: Is taken 'in line' with partner and as the Man steps forward Left foot, he turns his body slightly to Left and the Left toe turns out in line with the body. The Lady's Right toe will turn in while her body follows the same line as the Man's.

The Man's Left and the Lady's Right knees will be slightly flexed with pressure retained on the other foot.
